PUBLISHED WEEKLY IN CANAL POINT BY PAUL RARDIN

CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

Around The Glades

(By Paul Rardin)

Two semi trailers nearly collided at the Bank of Pahokee corner early Tuesday morning and one truck in dodging the other plowed into the electric sign alongside the front door of the bank. After tearing the sign loose from the bank, one truck tore down a no parking sign, a State Road Department sign and smashed the U. S. mail box on the corner. The huge sign on the bank is the one that has kept the community informed as to time and temperature since its installation.

Have you noticed the new blue uniforms being worn by the members of the Pahokee police department? They are handsome and match the color of the new lights atop the police cars.

Much criticism has been heard on every hand about the manner in which the contractor is looking out for the health and welfare of the public on the Bacom Point road construction job. An open ditch, where they are installing a huge drainage pipe, is the most dangerous part of the contract for the traveling public. A mere handful of caution signs and danger signals are placed alongside the open ditch but not near enough to prevent accidents. Accidents come often enough without being caused by a lack of prevention.

Build a new street, and then watch the new buildings go up. Yesterday I was touring Avenue E in Belle Glade and was greeted by the new Trailways Bus Station and the new B&B Grocery Store on the east end of that attractive street. Across SR80 and further west on Avenue E I saw another handsome grocery store—that is being opened next week by Leroy Miners of Pahokee. It certainly is an attractive structure and will be equipped with the very latest modern store merchandising equipment.

On a ride out McClure Road and onto the Rim Canal Road beyond the Pahokee city dump you can see the massive structure of the garbage disposal plant rising on the muck. Many folks rode by the up-going structure and wondered what it was going to be until informed by a Pahokee city official.

On Bartfield Highway in Pahokee the new Everglades Memorial Hospital is taking shape. The contractor is on time with his work and in the not too distant future we'll have a handsome new hospital ready to serve this community.

Christmas lights are up in Pahokee and Belle Glade. An added attraction to the two bustling communities. The lights don't cost a great amount of money but add materially to the looks of the two towns at Christmas time.

Members of the Lions Club in Pahokee are selling Christmas trees every afternoon at the Lions Club building on East Main Street. If you need a nice tree, stop by the building. Profits will go for the usual Lions Club charities.

TB Seal Appeal Made To Donors

Your Palm Beach County Tuberculosis & Health Association hopes residents will share the health on this day by responding to their Christmas Seal letters with contributions to fight tuberculosis and other respiratory diseases.

Christmas Seal funds support the Association's year-round activities designed to combat long term respiratory diseases, including TB, which now affect millions of Americans. These funds pay for case finding and educational programs to alert the public to ways and means of combating these diseases. They finance also research projects of vital importance in these and other related areas.

Corn Demand Is Up, Bean Price Lower

With Christmas not too far in the future the demand for sweet corn has been a little stronger this week and the price, which dropped to \$2.00 last week, has picked up a little and the growers are receiving from \$2.25 to \$2.50 per crate.

Usually this time of the year brings a satisfactory price to the growers but it seemed to have been in the doghouse for the past few days. The going price has been in the neighborhood of \$1.75 per crate but growers are hoping for a little strengthening of the price with Christmas just around the corner.

Last week beans were short in supply and the price sky-rocketed to \$6.40 per hamper on Monday and was followed by \$5.40 on Tuesday. After that spurt the price has been on the green delicacies are bringing from \$4.00 to \$4.50 per hamper.

Credit Study Has Much Valuable Use

"In order to keep credit service efficient and geared to the changing needs of agriculture, officials of production credit association are participating in Management Development Institutes," according to Chas. B. Long, Jr., Secretary-Treasurer of the Farmers Production Credit Association.

Earl Davis, Assistant Secretary-Treasurer, has just returned from three-day Institute held in Columbia, South Carolina. Approximately 60 officials from production credit associations in Florida, Georgia, North Carolina and South Carolina were in attendance.

Instructors at the Institute included Gus W. Campbell, Management Consultant of New York, and officers of the Federal Intermediate Credit Bank of Columbia. Case materials, group discussions, and decision-making problems offered an opportunity for the exchange of ideas and practice in practical application of the principles, skills and tools of management, Mr. Long said.

According to Mr. Davis, some of the program topics included: nature of modern management; principles of planning; organization and functions of a board of directors.

Scout Skill-o-rama Set This Week End

Boy Scout and Explorer units of the Glades District, Gulf Stream Council, will participate in a "Skill-O-Rama Camporee" on the Arrieta Ranch North of Port Mayaca this week-end. Check-in will be Friday afternoon, December 11, and check-out will be Sunday morning after an early breakfast and worship services.

Main events will take place on Saturday and will include fire building and water boiling, lashing, skill-o-rama, cooking, tug-o-war, wildlife, and other events to test the skill of the scouts. These activities are fun for those taking part and also a real learning experience.

Families and friends are invited to visit the Camporee and observe Scouting in action. The Order of Arrow will conduct a tap-out ceremony at the Saturday night campfire.

District 6, the Glades District, includes the communities of Belle Glade, Lake Harbor, Clewiston, Moore Haven, Pahokee, Canal Point, Okeechobee, and Indiantown and the chairman of this district is Dr. Frank Thomas of Belle Glade. The Camporee will be under the direction of Tom Parker, district Camping and Activities chairman.

Last year's "Know How-Show How" camporee was attended by approximately 100 Scouts, leaders, and visitors, and indications are that this year's "Skill-O-Rama" camporee will be bigger and better.

Foreign Labor Is Needed In Glades

MIAMI — Representatives of Florida's \$3 billion agricultural industry testified recently in Miami on the continued need for importing farm labor. It was the first of four U. S. Dept. of Labor hearings on the subject.

Fred C. Sikes, U. S. Sugar Corporation vice president of Clewiston, told the hearing, "Without our West Indian labor forces now numbering 5,104, our mills would have to close down.

U. S. Sugar represented four other mills and five sugar cane growers organized into the Florida Sugar Producers Association which pools its foreign labor force.

The Florida Fruit and Vegetable Association also imports 7,200 British West Indies subjects for other sugar, citrus, tropical fruit and vegetable interests.

John W. Evans, Oviedo, FFVA president, delivered a 10-page statement at the hearing opposing the termination of a law permitting the importation of Mexican braceros. This law, in conjunction with immigration and naturalization codes permitting importation of farm help from the West Indies, is the basis for the farm labor program followed by growers in Florida, Arizona, Texas and California.

HOME FROM VISIT

Mrs. Terry Sellers has returned to her home following a two week visit with her daughters and their families. Mr. and Mrs. W. J. Rice, in Jacksonville and Mr. and Mrs. W. P. Heney, Jr., in Green Cove Springs.

Evening Course P. B. Junior College

Persons who are interested in taking evening courses at Palm Beach Junior College are reminded that they must complete the necessary data required for entrance in the evening division on or before the first day of registration on January 4 according to Robert C. Moss, coordinator of evening school.

To meet the increased demand for courses, Moss said that the division was now offering over 100 classes.

The course offerings include both credit and non-credit classes which meet Monday through Thursday evenings.

Several new courses are to be given for the first time during the Winter Term. Civil Drafting II is a study mapping of routes and rights of way profiles, topographical maps and related information. This course is a continuation of Civil Drafting I.

In the area of engineering study of Linear Transistor Circuits the theory and how to build them. Practical laboratory experience is to be included.

For those who have a flare for the musical theatre, a new course designed to acquaint the student with various skills and techniques of the music theatre production aspects of singing and acting will be studied.

A reading program designed to provide an opportunity to develop the basic skills for efficient reading has been included; however, the class is limited to an enrollment of 15 members. This is a non-credit course.

Most classes meet from 7 until 10 p. m.; however, the evening coordinator stated that some classes may differ somewhat because of the college changing to a year-round operation schedule.

Evening classes will begin January 7.

Harold Rabin In Belle Glade Hospital

Produce Man Harold Rabin is in the Glades General Hospital at Belle Glade following an attack in his office Wednesday afternoon. Mr. Rabin suffered a heart attack a few years ago. He is a former member of the Belle Glade city council and served one term as mayor.

Paul Rardin Park Dedication Dec. 13

Hon. Russell O. Morrow, judge of the Fifteenth Judicial Circuit of Florida, will deliver the feature address at the dedication of recently constructed Paul Rardin Park on State Road 715 between Pahokee and Belle Glade. The new park is a part of the county park system. The dedication ceremony is set for 3:30 o'clock Sunday afternoon, December 13 and the public is invited.

The program for the dedication is as follows: The dedication will be given by Rev. Lawrence Stewart of the Canal Point Baptist Church, the welcome will be given by County Commission Chairman Edward Sandlow; Unveiling of the plaque will be done by Miss Terri Thomas and Master Kirk Elarbee; then Judge Morrow will deliver the address to be followed by introductions by County Commissioner Paul Rardin, vice chairman of the board. The ceremony will be brought to a close by Rev. Jay Jameson of the Lake Harbor Methodist Church, who will pronounce the benediction.

Immediately following the park dedication the group will adjourn to the Glades Office Building where "Open House" will be held in order that the public may view the recently constructed second story of the much used county facility, which houses the Magistrate's court room and additional office space, including room for the County Solicitor.

Those in charge of the Glades Office Building are anxious that all who attend the park dedication go on over for the "Open House." It is only a couple of miles from the park site to the Office Building. Cookies and cold drinks will be served by members of the staff and the entire public is cordially invited to attend.

TB X-Ray Unit Will Be Here December 14

The TB X-Ray mobile unit will be in the Pahokee-Canal Point area for nearly two weeks starting Monday, December 14 at Sandcut. On the 15th the unit will be in Canal Point. On the 16th at Bryant and also at Vann's Packing House in Pahokee.

The unit is scheduled for many spots in this immediate area and anyone you happen to see it, stop by and have your X-Ray made. It is the one way to tell whether or not you have TB and it doesn't cost a cent. Purchase of Christmas seals pays the cost of operation of the mobile unit.

Loses Ends Of Two Fingers In Mishap

Melvin Spooner of Pahokee lost the ends of two fingers in an accident last Friday when he was checking the generator on a corn harvester. It was quitting time and he was making the inspection when a co-worker stepped on the starter—clipping the ends off the second and third fingers on his right hand. This week he is reported improving nicely but suffering a great deal of pain at times.

Here Is What Transpired At Monday's Meeting Of The Palm Beach County Commission

The State Road Department will be asked by the county to set a date for a public hearing on the proposed route of Interstate Highway 95 through the south half of the county.

The State Road Department called off a hearing scheduled last January and did not set a new date. No route has been finally decided for the superhighway from Okeechobee Road in West Palm Beach southward.

Commission Chairman Edward Bandlow said Broward County would also be asked to write to the SRD asking for the hearing. The I-95 path hasn't been decided in the north part of Broward County.

In other action, county commissioners:

Authorized a trip to New York to purchase more Acreline to control lake weeds in Lake Osborn and Lake Ida.

Decided to spend \$45,000 for a chunk of land west of the County Office Building, 810 Datura St., West Palm Beach. The land will be used for parking.

Agreed to recommend the reappointment of Junius Harris, Belle Glade, and Cy Argintar, West Palm Beach, as jury commissioners. The governor will make the appointments.

Consented to pay the costs of defending the county canvassing board, whose three members have been named as defendants in a Circuit Court suit by Democratic Party Chairman Alvin Zalla. The suit challenges results of the Nov. 3 election, in two close races.

A footbridge may be built by the county, in cooperation with the City of Riviera Beach, over Blue Heron Boulevard at, Phil Foster Park.

County Commission Chairman Edward Bandlow received a request for the bridge from Mayor Jake Boama of Riviera Beach. Several persons have been injured crossing the roadway from the park to the Jaycees beach on the south side.

NOTICE OF INTENTION TO REGISTER FICTITIOUS NAME

Notice is hereby given that the undersigned, under the provisions of Chapter 20,953, Laws of Florida, Acts of 1941, will register with the Clerk of the Circuit Court, in and for Palm Beach County, Florida, upon receipt of proof of publication of this notice, the fictitious name, to-wit:

ASSOCIATED BUILDING MAINTENANCE
Lake Worth, Florida.

Under which we are engaged in business in Lake Worth, Palm Beach County, Florida. That the parties interested in said business are Patsy Sue Wayman and Al Douglass. That the firm name is Associated Building Maintenance.

To be published once a week for four successive weeks in a newspaper of general circulation in Palm Beach County.
Pub.: Nov. 27, Dec. 4, 11, 18, 1964.

Commissioners decided to ask the State Road Department for permission to build the bridge, and to investigate the cost. Commissioner E. F. Van Kessel said Riviera Beach would be asked to contribute toward the cost.

The Federal Aviation Agency has released 605.88 acres of surplus airport land from the national emergency use listings, and will permit county commissioners to sell it.

Proceeds from sale of the land will be applied to pay off a 3 million dollar bond issue for improvements to Palm Beach International Airport and the county's other two airports at Pahokee and Lantana. The land lies south of Palm Beach International.

County Attorney Harry Johnson said with the land the county will be given a lower interest rates on the longterm bonds. The county is now planning a land use map with zoning classifications, which will also need the approval of FAA.

The main project to be built with the bond money is a new terminal at PBIA, estimated to cost 1.1 million dollars.

A message from the Treasury of a free people

How to speak out for freedom today

Free men have never gone in much for silence. Even before the first thirteen States became United States, men were speaking for freedom loud and clear.

Today Americans speak out for freedom many ways—in Congress, in local government, in neighborhood activities. Some speak out for freedom in other languages, in other lands. And millions of Americans speak out for freedom every time they buy U.S. Savings Bonds.

Every Savings Bond you buy is an investment in freedom. While you're saving money for your

own family's future, you're helping Uncle Sam tend to the business of keeping men free today.

Perhaps you don't speak out for freedom in the same tone of voice when you buy a Bond as Patrick Henry did in his famous speech. But you speak every bit as surely. And every bit as proudly.

Why not speak out for freedom now? Buy Bonds at the bank or on the Payroll Savings Plan where you work.

Keep freedom in your future with

U.S. SAVINGS BONDS

Christian Science Group Of Canal Point

God's perpetual care for man in all facets of his life will be the theme at Christian Science services this Sunday. The Bible Lesson is titled "God the Preserver of Man". Golden Text: "The Lord is my rock, and my fortress, and my deliverer; my God, my strength, in whom I will trust; my buckler, and my high tower" (Ps. 18-2). Related readings from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include these lines: "We shall obey and adore in proportion as we apprehend the divine nature and love Him understandingly, warping no more over the corporeality, but rejoicing in the affluence of our God" (p. 140).

Canal Point WMU Week Of Prayer

The Canal Point WMU opened their week of prayer with representatives of the group speaking at the morning and evening worship services on what foreign missions meant to them; they were Mrs. Charles Maxson and Mrs. J. S. Atkins.

All of the meetings were held in the homes of the members each morning at 9:30 a. m. with the exception of Wednesday at which time the regular prayer meeting hour was used for the observance. Mrs. M. D. Geiger was hostess to the group Monday with Mrs. W. S. Evans in charge of the program.

Tuesday, members met with Mrs. W. S. Crowe; Mrs. Guy Thompson was in charge. Wednesday Mrs. J. S. Atkins presented the program at the church and Thursday members met at the home of Mrs. J. L. McCall with Mrs. Roberto Arrieta in charge.

The final program was presented under the direction of Mrs. Lawrence Stewart at the home of Mrs. Alma Nail Friday morning. Both church choirs are working overtime to complete Christmas programs under the direction of Rev. Lawrence Stewart in Canal Point and Mrs. Guthrie Colvard in Pahokee.

HEAR STEINSON CHOIR.

Rev. and Mrs. Guthrie Colvard and Mr. and Mrs. M. P. Stanley left Friday for Deland where they will hear the Stetson Choir present "The Messiah". The Colvards' daughter, Miss Ruth Colvard is a member of the choir.

Witnesses Will Go To Kissimmee

"We'll be going to Kissimmee this week-end for a three-day Christian assembly scheduled to begin Friday evening at the Papperware Home Parties Auditorium on U. S. 441," said Mr. Miles Fr. Crum, local presiding minister of the Canal Point Congregation of Jehovah's Witnesses.

Mr. Crum added, "Regular meetings held at the Canal Point Kingdom Hall will be cancelled this week-end since the majority of the congregation will be in Kissimmee December 11 through 13."

Mr. Crum said that he had been informed by Joseph Saia and David F. Bowman, Witness Supervisory Ministers, from the Witnesses' National Headquarters in New York, that the assembly will feature a free showing of a Witness produced film entitled, "Proclaiming 'Everlasting Good News' Around The World."

The assembly will also feature a Model Ministry School demonstration Friday evening and a baptism of new candidates for the ministry on Saturday afternoon.

"More than 13,000 were in attendance and 197 new ministers were baptized at our last assembly in Jacksonville, July of this year," Mr. Crum added.

Highlight for Sunday will be a public talk at 3:00 p. m. by Witness Supervisor Joseph Saia, entitled, "Our Divided World, Is It Here to Stay?" More than 1,000 are expected to be present.

Let Your Money Earn 4½% Payable Semi-Annually

New $3\frac{3}{4}\%$ interest on U.S. Savings Bonds

The Treasury explains why the new ones you buy and the ones you own now are better than ever

Q: How does the new $3\frac{3}{4}\%$ interest rate benefit me?

A: With Series E Bonds, the rate turns \$18.75 into \$25.00 fourteen months faster than the old rate. Your savings increase faster, because your Bonds mature in just 7 years, 9 months.

With Series H Bonds, the 10-year maturity period stays the same but more interest is paid you each six months. With both E and H Bonds the new rate works out to $3\frac{3}{4}\%$ for the first year and a half; then a guaranteed 4% each year to maturity.

Q: When did the new rate become effective?

A: June 1, 1959.

Q: Does the new rate change the Bonds I bought before June 1, 1959?

A: All older E and H Bonds pay more now—an extra $\frac{1}{4}\%$ from now on, when held to maturity. The increase takes effect in the first full interest period after June 1.

Q: Will the Bonds I own automatically earn their new rate?

A: Yes. You don't need to do a thing—just held on to your Bonds.

Q: When my E Bonds mature, will they keep on earning interest?

A: Yes. An automatic 10-year extension privilege went into effect along with the new interest rate. This means your E Bonds will automatically keep earning interest after maturity.

Q: With the new interest rate, should I cash in my old Bonds and buy new ones?

A: No. The automatic $1\frac{1}{4}\%$ increase makes it unnecessary—and in almost every case it is to your advantage to retain your present Bonds.

Q: How are series H Bonds different from series E Bonds?

A: The chief difference is this: You buy H Bonds at 25% face value and the interest is paid by Treasury

check every six months for the life of the Bond. You buy E Bonds at 75% of face value and the interest accumulates to maturity. H Bonds provide income for living expenses, while E Bonds build a nest egg for the future. That's why many retired people hold H Bonds and families saving for, say, a child's education, buy E Bonds.

Q: In what denominations can I buy series E and series H Bonds?

A: E Bonds: \$25 (cost \$18.75), \$50 (cost \$37.50), \$100 (cost \$75.00), \$200 (cost \$150.00), \$500 (cost \$375.00), \$1,000 (cost \$750.00), \$10,000 (cost \$7,500.00).

H Bonds: \$500, \$1,000, \$5,000 and \$10,000. They are priced at face value.

Q: How safe are U.S. Savings Bonds?

A: Savings Bonds are an absolutely riskless way to save. The United States Government guarantees the cash value of your Bonds will not drop, that it can only grow.

Q: What if my Bonds should be lost, stolen or destroyed?

A: You can't lose. Every Bond purchased is recorded by the Treasury. If anything happens to your Bonds they are replaced—free.

Q: Where can I buy Bonds?

A: Buy E Bonds at any bank—it takes only a few minutes. Buy them automatically through the Payroll Savings Plan where you work. This Plan means you can have any amount you want automatically deducted every payday. The Bonds you buy by installments are delivered to you automatically, too. Your bank will take your order for H Bonds.

Q: How do I help strengthen America's peace power when I buy U.S. Savings Bonds?

A: Peace costs money—money for military strength and for science. And money saved by individuals helps keep our economy sound.

A special service to VA pension recipients in the Canal Point area will be offered on Wednesday, Thursday and Friday of next week, Rufus H. Wilson, Manager of the Veterans Administration Regional Office at St. Petersburg, announced today.

Mr. Wilson said that a VA contact representative would be present each of these days from 8 a. m. to 4:30 p. m. in County Service Office, 810 Datura St., West Palm Beach to assist those recipients of VA pensions who may have questions concerning an election to receive their pensions under provisions of the current pension law.

Baptists Holding Week Of Prayer

The week of prayer for foreign missions has been observed by members of the WMU in Southern Baptist Churches in the Glades as well as in the county and state. The theme for the week has been "Worship Christ the King."

In the First Baptist Church of Pahokee, members have been meeting each morning at 9:30 at the church with each circle taking part in presenting the program. Monday the Fay Taylor circle members presented "Without Christ, They Have No King" with Mrs. Annette McCurdy in charge. The Lottie Moon circle presented the Tuesday program entitled "Heralds of the King" with Mrs. Ralph Crews in charge of arrangements.

Wednesday a film, strip "Who Follows The King" was shown at the regular prayer service. Mrs. Lee Wroten was in charge of the Thursday program for the Betty Mills circle which was entitled "Children of the King."

The week was closed this morning, Friday, with the program "We have come to worship Him" with the prayer chairman from each circle taking part on the program under the direction of the general prayer chairman, Mrs. Ralph Crews.

Only two circles held their regular monthly meetings. Tuesday, The Fay Taylor Circle which met at the home of Mrs. Milton Douglas and the Grace Jernigan at the home of Mrs. Frank Thompson, both circles met at 8:00 p. m.
